## About This Community

The unique and innovative townhome-style residences of Georgia Row at Walter Reed make a resounding statement in the northern Washington, D.C. corridor. Arrive home every day to the sight of full brick facades with natural stone accents and the anticipation of enjoying your rooftop terrace overlooking the city. Inside residents are indulged with Craftmark Homes' interior highlights, from spacious living areas to luxury touches like contemporary lighting, distinctive molding, and beyond. Include the comfort of Craftmark's low HERS energy efficiency ratings and every day will feel like a staycation in the middle of town.
