About This Community

MODEL HOME FOR SALE! This stunning 5,759 sq. ft. spacious home comes with a nicely lit great room and a first-floor owner's suite! You'll love the beautiful wrap-around porch, rear-facing loggia, and stone fire pit. Complete with oak wood flooring is included throughout the main level, and an included finished walk out basement with a full bath, bedroom, and a wet bar – this isn't just any place to live, it's one you'll want to call home! The community of Whittington offers homeowners the best of both worlds – the privacy and seclusion that this gorgeous new neighborhood has to offer, as well as convenience. You'll be surrounded with beautiful wooded and mountain views while still remaining within miles to UVA Medical Center, Martha Jefferson, as well as all major commuting routes, fantastic schools, and the new Wegmans that will be featured at Fifth Street Station.
