## About This Community

An urban enclave of fine luxury living has arrived to the Herndon-Monroe Metro Station, perfectly tucked amidst tree-lined streets, pocket parks, and onsite retail – with Harris Teeter, too! Introducing Woodland Park Station townhomes by NVHomes, now selling near Reston.

Soon, Metro's Silver Line will be just outside your front door for easy access to the entire Ashburn-Reston-Tysons corridor. Whether you're catching a weekend basketball game or catching a ride to work, proximity to Metro provides long-term value and convenience.

You won't have to go far to live the urban lifestyle you've been craving. Step out to 5-star dining at Kumo Sushi or Paradise Biryani Pointe. Stroll to Saturday morning yoga at Down Dog. Or take a 5-minute Uber over to Reston Town Center. Whatever your pleasure, Woodland Park Station offers the perfect blend of neighborhood vibe and big city access.

Our new urban-inspired townhomes and condos have been designed to offer the ultimate in luxury living. Be greeted by stately elevations with premium materials such as modern brick, cast stone detail, and metal awnings. Rooftop terraces above are the perfect place to welcome the sunset, while SkyLanai covered outdoor terraces off the main level offer al fresco dining all year long. Inside, choose from 3, 4, or 5-bedroom layouts and up to 4 full bathrooms to accommodate out-of-town guests. The real star, however, is the main level with 10'-wide quartz kitchen island and airy great room – a perfect place for hosting dinner parties or book night! Garage parking and outdoor living is included, too!

We invite you to take advantage of this amazing opportunity for an urban townhome near Reston, where Metro's Silver Line puts everything within easy reach. Schedule a visit today!
