About This Community

Now, the space and grandeur of a single-family home can be yours in a low-maintenance villa at Westmoore!

Here, you can choose anywhere from 3-6 bedrooms on two or three levels for upsizing, rightsizing, or even downsizing.

Our open concept entry level includes a beautiful island kitchen overlooking a large great room - plus formal dining, too! You'll love retreating to your private covered porch for dining al fresco all year long.

Inside, all the fine finishes you expect from NVHomes are already included: wide-plank rigid core flooring, quartz countertops, pendant lighting, ceramic tile backsplash, and so much more.

It's all here at Westmoore, Ashburn's best-selling Metro community on the Silver Line where every day is extraordinary. Onsite, the designer clubhouse, fitness center, pool, parks, and trails are already open for you to enjoy.
