## About This Community

Welcome to Bar Harbor at Coastal Club, luxury villa townhomes within walking distance to the clubhouse and amenities. Don't miss your chance to secure one of these Cypress Point homes.

This highly anticipated phase at Coastal Club features private homesites all backing to trees, a pond, or green open space. Your new home will impress on the inside, too. It features a first-floor owner's suite, included luxury features, an open floorplan, and plenty of room for your out of town guests to visit.

The amenities here are unlike any other. You and your friends will feel like you're at a tropical resort with palm trees and a swim up pool bar just steps from home. The clubhouse is a destination all on its own, featuring an indoor pool, a spacious outdoor pool, and cascading waterfall. The amenities don't stop there. The three-mile Eagle View Trail, tennis courts, community garden, and bocce ball court are just a few of the other first-class amenities available at Coastal Club. No matter what you're looking for in a resort community, it's all right here at Coastal Club! With nothing else like this community in the area, you'll have to see it to believe it.
