About This Community

Introducing Arlington Heights, a rare opportunity to own a brand new NV townhome in a location that is simply unmatched.

Here we are offering only 27 John Jacob Astor townhomes, with more included features than you ever imagined. Enjoy beautiful brick exteriors, private 2-car garages, a Chef's kitchen, options for 4 or 5 bedrooms, 4.5 baths, and two outdoor living spaces.

What's more? Our new community fronts a gorgeous, established 4-acre park with playground, sports field, a half-basketball court & a gazebo.

This is a wonderful, but limited, opportunity.

From your new home at Arlington Heights, the entire region is at your fingertips. You could be on the Metro or on the W&OD trail in a short 5-minute walk. Or stroll to many nearby dining options. DC is also only a quick 10-minute Uber ride.

Both of DC's airports are nearby, plus Amazon's future HQ2 is easily accessible as well.

It's easy to see why so many homebuyers love North Arlington. Schedule a visit today!
