About This Community

The Landing offers residences with private balconies and sweeping views of the Potomac River for Independent Living, Assisted Living, Memory Care and The Bridge. Located in National Landing's Potomac Yard just minutes away from Ronald Reagan Washington National Airport, the Virginia Tech Innovation Campus and Amazon HQ2, The Landing capitalizes on its unique and exciting surroundings by providing first-class dining, programming and hospitality services. The Landing is managed by Watermark Retirement Communities, which for more than 30 years has been committed to creating extraordinary and innovative communities where people thrive. For more information, visit www.landingalexandria.com or call (571) 577-6011.
