About This Community

Maplewood Park Place provides independent living in a vibrant resident-owned community, nestled in a safe, wooded suburban neighborhood just inside the Beltway. The cooperative model at Maplewood Park Place offers true ownership right in Bethesda without the burdens of home maintenance and housekeeping. The Maplewood experience is defined by abundant activities, beautiful amenities, first-class dining, all easily accessible, 24/7 security and concierge services, and highly attentive, engaging staff. We also offer assisted living, skilled nursing care, personalized memory support and rehabilitation services for owner residents whenever the need arises to transition to more care. Our unique Life Care Plan is available for qualified residents, offering high-quality, long-term health care and/or assisted living at a manageable cost.
